Committee on Poor Very Pleasantly Readjusts Pay at City Almshouse.

HEAD NURSE'S STIPEND CUT

Four Under Nurses Get Additional Pay—Contracts Are Awarded.

The Council Committee on Relief of the Poor met at the City Almshouse last night in regular session, and in addition to the monthly business, awarded contracts for supplies for the institution for the next quarter.

The superintendent reported 88 persons received during October, 40 discharged, 45 died, 25 remaining October 31—an increase of 4 over last year. In the hospital 75 patients were received and treated, 19 discharged, 13 died, 53 remaining on October 31—an increase of 3 over last year.

The pay-roll, amounting to \$1,080, and bills amounting to \$1,519.49, were ordered to be paid.

A subcommittee, consisting of Messrs. Dickerson, E. W. Miner and Satterfield, was appointed to revise and recodify the rules for the government of the Almshouse and its officers and employees, and report.

Mr. Dabney, chairman of the Subcommittee on Readjusting the Salaries and Wages of the Officers and Employees, presented a report, recommending the following changes: Increasing the salary of the physician from \$500 to \$550 per annum; two nurses (white) and two nurses (colored), from \$120 per annum each and board, to \$180 per annum each and board; wagon driver, from \$120 to \$240 per annum and board; night watchman, from \$50 to \$100 per annum and board; the salary of the head nurse from \$750 to \$900 per annum.

Mr. John B. Minor opposed the reduction of the pay of the head nurse, and it was advocated by Messrs. Satterfield and Dabney. Mr. Minor moved that the recommendation be amended by inserting \$750 per annum, as at present. The motion was rejected, and on a tie vote, as follows: Ayes—Hobson, E. W. Miner, John B. Minor, Seny, Gunst—5. Noes—Dabney, Grinnell, Huber, Satterfield, Williams—5.

The question was then taken on the committee's report and their recommendations were all rejected, and by a recorded vote of ayes, 5—Dabney, Grinnell, Huber, Satterfield, Williams; noes, 5—Hobson, Miner, E. W. Miner, John B. Minor, Seny, Gunst. Without taking any further action the committee adjourned.

YOUNG DOCTORS FEAST.

Pi Mu Gamma Celebrated at Murphy's Hotel Last Night.

The Pi Mu Gamma Chapter of the Medical College of Virginia held a fall celebration at Murphy's Hotel last night. A large number of prospective doctors sat down to one of the midnight feasts for which Murphy has grown famous. After most everything in sight had disappeared, the young doctors got to talking with I. T. Gosline as toastmaster.

Some apropos toasts were responded to, and wit and wisdom ran riot together, under the following subjects:

"Welcome to Goats," S. C. Bowen; "Past, Present and Future," E. R. Tucker; "C. Y. and Memorial College," L. B. Wiggins; "Temptation of a Medical Student," N. T. Emmett; "Peculiarities of Women," T. T. Harris; "Our Graduates," A. A. Marcella.

The menu as gotten up by Murphy revealed such things as consommé, and on meat, salads, oysters, croquettes of different things, ice cream, coffee, cakes and fruit, and "smokers" and reasonable drinks.

The card stated the feast would run from 10 to 2, and it certainly did that late.
